

NATIONAL TOUR OVERVIEW - 2008.

"North Coast Amble"

AIM:

To showcase the east coast of N.S.W. to choose accommodation of acceptable standard also keeping costs at a manageable level, car security was also seen as a priority because of some locations. Travel times and distances were also seen to be kept to a level so as to arrive at the next location relaxed with time to socialise.

LOCATIONS:

Preliminary locations have been chosen these include Shoal Bay (Nelsons Bay Area) - Port Macquarie - Coffs Harbour - Armidale. These give a chance for interstate members to see some of our premier locations, which include 'World Heritage Areas'.

ACCOMMODATION:

Most are apartments with a choice of 1-2-3- bedrooms, the 2-3 bed apartments have full facilities with spacious living areas and balconies with a minimum 4 star rating. If members are prepared to share costs can be kept to a quite reasonable level. Most are in a central location with a wide choice of dining venues to meet all expectations.

DISTANCE AND TRAVEL TIMES (DAILY)

It was seen as a priority to hold both to an acceptable level to allow for relaxed travel with time to make stops and side excursions arriving at destinations with time to explore surrounds. We will endeavour to quote distances and travel times between points of interest as a guide.
